ABOUT

Experienced Frontend Developer specializing in React, React Native, and Next.js, with a strong track record of building responsive and user-friendly web and mobile applications. Skilled in TypeScript for creating robust, maintainable code and experienced in integrating frontend systems with backend services to deliver reliable, high-performance applications.

WORK EXPERIENCE

Winners Club Armenia — Full Stack Developer

August 2025 – February 2026

Built the entire frontend of the Winners Club Armenia website from scratch, introducing a multilingual (i18n) interface and generating responsive, modern UI components to ensure a smooth user experience across all devices. Delivered secure and intuitive authentication pages and worked closely with backend developers to integrate APIs and provide high-performance frontend functionality.

Tools & Technologies: TypeScript, Next Js, Nest Js, MongoDB

Urtian LLC — Full Stack Developer

February 2024 - September 2024

Built responsive and user-friendly frontends for cinema and shop applications, including movie streaming, trailers, and ticket booking platforms. Generated modern UI components aligned with current design standards and connected frontend systems with backend services to ensure reliable data flow. Applied key features such as movie search, trailer viewing, e-ticket booking, product browsing, and shopping cart functionality. Worked closely with cross-functional teams to deliver seamless and high-performance user experiences.

Tools & Technologies: JavaScript, TypeScript, React, Next Js, SAP UI5, CAP, MySQL

Techno-Educational Academy — Frontend Developer

September, 2023 - January 2024

Executed the frontend of a cinema web application using modern technologies. Applied features including movie browsing, trailer viewing, and ticket booking. Established responsive, user-friendly UI components using React and optimized application performance to provide a smooth user experience. Integrated dynamic content and worked with designers and backend developers to ensure seamless end-to-end functionality.

Tools & Technologies: JavaScript, React Js

EDUCATION

Shirak Regional State College, Gyumri 2017 - 2023
